Unlock the magic

A single gesture from the company can provide access to rides or meals on-demand, 24/7. With Uber gift cards, you can give them the gift of choice.

Filled with possibilities

Works across the Uber or Uber Eats app—unlocking access to on-demand rides, scooters, bikes, and food, all available through one gift.

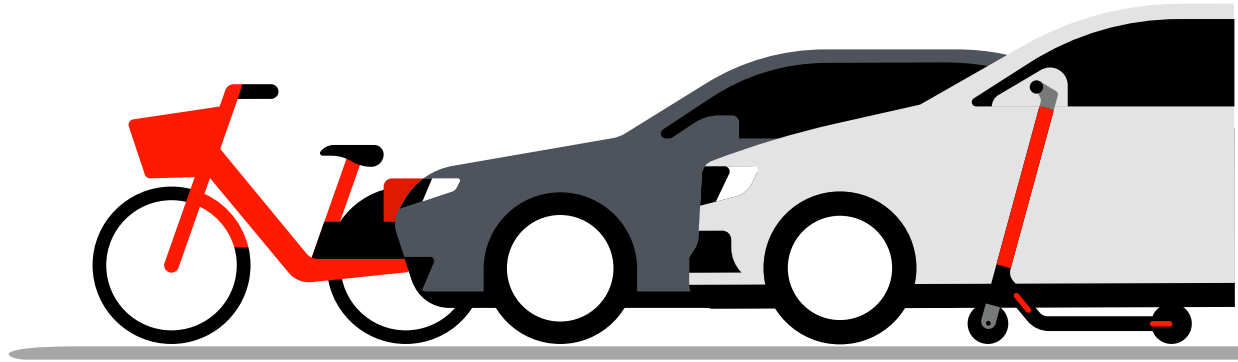

Gifts of all sizes

Select any value and schedule digital delivery of an amount that never expires. Send immediately or on a specific date for a perfectly timed surprise from your business.

Visit t.uber.com/giftcard_business to learn more about gifting with Uber.

Gifting made easy

Avoid the lines

Buy digital gift cards from the convenience of your desk and send digitally to all those on your list.

All your gifts covered

Purchase a gift that anyone will enjoy. Get as many gift cards as needed, so it's one easy line item to expense.

Last-minute, in seconds

A great last-minute gift that can be delivered in minutes to anyone, anywhere.

Perfect gift for all

A gift for any purpose

Give something that opens doors for anyone your company want to reward for any reason: clients, partners, employees, guests, and more.

A gift they will use

Every day, millions of rides happen through the Uber app. Give them a gift that unlocks where they want to go when they want to go there.

A gift with flexibility

Uber gift cards come in handy in hundreds of ways—like an unforgettable night out, a ride to the airport, or the latest creation from a favorite restaurant.
